To whom it may concern

I am writing to object to the following sites:

HG2-41 (4240)  
HG2-43 (5009)  
HG2-42 (1016)  
HG2-12 (4254)

The reason for my objection is that the plans to build on the green belt contravene the national planning framework (NPPF)

The recent traffic lights on the Horsforth round about of the A 65 and ring road have not relieved the traffic and there is insufficient infrastructure to support the additional traffic which will be created by any new housing. There we also insufficient school place to support an influx of families. The proposals will destroy countryside and do not support he government's proposals to build on brown field sites.
