To whom it may concern

I strongly object to the inclusion of site HG2 41 in the site allocations Plan as the site is green belt land. The site should not be removed from green belt land to achieve housing targets as this is not consistent with national policy as per paragraph 83 of NPPF.. The plan is not sound.

If the building goes ahead then the volume of traffic will only add to the already congested problems at peak times at the Horsforth roundabout.

Yours sincerely
Mrs Karen Bold
