Subject: PDE01162_Objection to building on Silverdale Greenbelt in Guiseley
Date: 15 November 2015 20:56:01

To whom it may concern

I wish to object to proposed building on sites HG2-5 Coach Road and HG2-6 Coach Road/Silverdale allotments.

The site allocations plan is unsound because the Council has not carried out a genuinely comprehensive Greenbelt review.

The Council do not appreciate the impact on the traffic infrastructure around Guiseley and Silverdale Avenue where I live. Also the lack of school places, doctors and other key facilities that make a community.

Previous applications to build on the allotments opposite my house where rejected and nothing has changed significantly.

Please consider my objection and I look forward to hearing from you.

Yours Sincerely
Steven and Jane Girt
