Subject: PDE01173_Objection to site allocation plans for Guiseley
Date: 15 November 2015 20:38:07

Re site HG2-5 and HG2-6 coach road and silverdale avenue.

The site allocation plan is unsound because the council has not carried out a genuinely comprehensive green belt review.

We live in this area and silverdale avenue is already too busy, the traffic is at a standstill in Guiseley already during rush hours and the sites are homes to lots of wildlife.

The area will be ruined by building more houses.
