Hg2-10(1221) gill lane

Plse accept this email as my objection for planning permission.

I totally appreciate houses need to be built but seriously there is no infrastructure here as it is. Traffic is too much and ridiculous bumper to bumper. Local schools full. Big waiting list for dentist and doctors. Schools are full and lastly I moved to the edge of Leeds for some fields views.

Even my daughter said to me who's only 9 please mummy you have to email and say no. This is where we play! This is where we build snow men. My daughter has never asked me to email about anything but this is our home and being a single mum cannot afford to pay for anything else. Plse just even take time to observe the local roads on weekends, rush hours as a starter.

My address is 29 Greenlea road Leeds ls19 7sn
