**Subject:** PDE01222\_RE: Objection - Houses in Rawdon  
**Date:** 15 November 2015 19:13:10

---

Dear Sir or Madam,

I wish to object to the proposals to build houses on the following sites

HG2-12

HG3-2

HG3-4

HG2-41

I believe that that this will lead to huge pressure on all the services around all these locations especially schools and GP surgeries

It is also obvious to me that the road network which already cannot cope will become even more congested especially the A65 and the ring road at Horsforth

Building on these sites will also mean that the built up areas both in, and between, Rawdon and Horsforth will merge into one , with little and no green areas or fields..

We have been led to believe that building on the Greenbelt would only be as a last resort and yet despite alternative brown field site being available across Leeds this appears to be completely disregarded by the council.

Your Sincerely  
Jonathan Eagle  
Coach House,Wellroyd  
Knott Lane  
Rawdon.
