RE: LEEDS SITE ALLOCATION PLANS - FORMAL OBJECTION

15/11/2015

Dear Sir / Madam,

As a resident of LS18 I wish to draw your attention to my objections to your proposed development of our greenbelt land on the following sites,  
: HG2-41, HG2-42,HG2-43.

I believe that your plan to build over 1000 properties in this area is inconsistent with the National Planning Policy Framework which states that greenbelt is to be protected, it requiring exceptional circumstances before it is built on and so destroying forever this recreational and cultivated area.  
Brownfield sites must have priority for building before destroying wild life habitats.

The negative impact further house building would have without the necessary infrastructure is a nightmare scenario of gridlocked/bottlenecked roads.  
LS18 is a relatively expensive area for housing.

Where is the "affordable housing" to be found in your proposals?

As a recent resident to Horsforth it's green spaces and community identity are important to me, preferable to a large urban sprawl which over a 1000 new homes will bring.

I hope you will reject on my behalf the proposed developments.  
Please keep me informed of the review outcome

Yours Faithfully  
Mrs. Lois Nicholson
