HG2-41 - Fields South of A65 from Horsforth & Rawdon RA to crematorium

HG2-42 - Fields at Broadway and Calverley Lane, Horsforth

HG2-43 - Fields at Horsforth College Campus

I am writing to object to the development of the above mentioned sites. Developing these sites will be destroying our Green Belt land, it will merge the local areas and destroy wildlife. The open space I currently use will be lost forever and for the generations to come.

It will have a big impact on the facilities open to me as the area is already overcrowded and opportunities for young people limited.
