Please find attached an objection to the SAP, written by my son Daniel Buxton, of 38 Markham Crescent, Rawdon, Leeds, LS196NG. I have also copied and pasted his letter below:

Dear Sir/Madam

I don't want you to build on the greenbelt in Rawdon and Horsforth or anywhere because animals live there and we should put the houses where old buildings used to be not fields.

The fields are a good place to play and walk and have a picnic.

Don't make Rawdon so much bigger for the sake of it. It's a village and not a city.

You're not allowed to build on the greenbelt, it's the law.
