*I Dear Sir,*

*With regard to the Strawberry Fields planning application, I object to in the inclusion of site HG2 41 in the Site Allocations Plan . This site is green belt land. Removing the site from the green belt is contrary to National Planning Policy Framework (NPPF) Section 9, paragraph 80 because, by including the site for development , you have failed the 5 tests of green belt purpose. The inclusion of the site to achieve housing number target is not an exceptional circumstance as per paragraph 83 of NPPF. Based on this I do not think that the Plan is sound as it is not consistent with national policy.  
Yours faithfully, Stephen Lupton*
