Hello

I did not receive confirmation that you received my email 3 days ago.

Please can you let me know.

Subject: Site Allocation Plan HG2-10 Gill Lane Objection

PLEASE don't build on HG2-10

Because nature is to be saved, there are owls, bats, cows and many other animals there.
The extra traffic will stop me getting to school on time.

My school, Rawdon Littlemoor Primary , is already full. If there are new houses where
do those children go to school?

These fields are pretty and if you put houses on them they won't be.

When I am old, I want my own children to enjoy the views and see the lovely trees.
