---

Hello,  
I'm writing to raise my objections to the proposed development on the Green Belt site HG2-12 (4254).

I also want to object to these sites as there are common reasons for objection.

SITE HG3-2 (4095) - Knott Lane West - PAS 61 houses  
SITE HG3-3 (3331) - Knott Lane East - PAS 35 houses  
SITE HG3-4 (3329) - Layton Lane East - PAS 95 Houses

**HG2-12 is part of Leeds "Strategic Green Infrastructure" and therefore any development of it goes against the Leeds Core Strategy.**

HG2-12 is adjacent to the Cragg Wood conservation area. The trees in High Knott Wood, some of which grow within the HG2-12 site, are all covered by TPO's. The site is a habitat for roe deer, bats, tawny owls, red kites, sparrowhawks and many species of migratory birds. In its Core Strategy, Leeds have identified the land in this area between the A65 and the River Aire, which includes site HG2-12, as "Strategic Green Infrastructure".

I have lived here for nearly 5 years and moved here specifically for the quietness, the space, the wildlife, the countryside, the beauty, the fact that it is such a great place to live with a family. As far as I'm concerned it's the best place in the world.

It needs protecting and not exploiting.

Green belt land and conservation areas are incredibly precious. It is the duty of our generation to preserve these areas. When they are gone/destroyed/turned into profit for developers who don't care about their legacy they are gone forever. As they disappear a generation of people (our children) lose something magical that can help inspire them to protect the future for us all.

Hundreds of people walk along our leafy lanes and enjoy the unique environment. Please don't take it away.

Also the traffic is already INCREDIBLY bad. I don't think, realistically, you could find a worse place in terms of local infrastructure!

Regards,

Daniel Thompson  
Group MD

I would also like to be kept informed on when the Public Examination will take place.

My Personal Details are :-
