Dear Sir/Madam,

I am writing to object to your planning proposals for the following sites: HG2-1 INGS LANE,HG2-2 WILLS GILLS,HG2-10 GILL LANE,HG2-12 WOODLANDS DRIVE, HG2-41,HG2-6 COACH ROAD,HG2-3 SHAW LANE,HG2-4 HOLLINS HILL. The site allocation plans are unsound because the council has not carried out a genuinely comprehensive greenbelt review. Many of the sites also contain schedule 1 breeding birds including lapwing, grey partridge and curlew. Have the sites had ecology surveys?

Regards,

Sarah Beswick.
