Subject: PDE01468_Protect our greenbelt - Objection to planned proposed sites GG2-41, 43 and 12 and HH3-2,3 and 4
Date: 15 November 2015 12:34:44

I am writing as an individual, wife and mother to protect the green fields where I live - in particular those proposed sites HG2-41, 43 and 12 and HG3-2,3 and 4.

We are avid walkers and enjoy valuable family time walking a number of local routes including the proposed sites. Walking as a family, ensures that we have valuable time together and maintains our fitness in an enjoyable way.

It is incredulous to think that this beautiful green land could be used for additional housing when the current infrastructure and amenities are struggling to cope with the current population.

Please be in no doubt that I fully object to the proposals and am disappointed that anyone could have considered them in the first instance !!

Regards, Mrs C J Austin (LS18 5RP)
