Leeds City Council
LDF Publication Draft Consultation

We are contacting you to object to the proposed planning to build in the following sites HG2-12 Woodlands Drive; HG2-41 Rawdon Crematorium to Horsforth Roundabout; HG3-2 Knott Lane West;HG3-3 Knott Lane East; HG3-4 Layton Lane.

We fully agree with the arguments proposed by RAWDON GREENBELT ACTION GROUP (RGAG)namely that the Development is not justified; the Development is not effective; the Development is not legally complaint; the Development is not positively prepared and that the Development is not in accordance with the NPPF. These arguments are clearly stated and reasoned in RGAG's agenda and publicity materials.
