Comments on the "Leeds Site Allocation Plan" for the site HG 2 - 17  
(1080\_3367A) Breary Lane East, Bramhope, LS16

I do not agree with this site being allocated for housing.

To build on this site would increase size of Bramhope disproportionately and the local infrastructure would not be able to cope.

I question whether the A660 corridor, which is already struggling to cope, would be able to cope with the extra traffic that a development

of this size would create.

I also think it is unacceptable to build on green belt green fields, which in this case are next to a Conservation Area.
