Dear Sir,

I wish to register my objection to the Leeds City Council's Site Allocation Plan for the following reasons:

1. Site HG2-41 Strawberry Fields is "green belt" which may only be used for housing in "exceptional circumstances" according to The National Policy Framework.

I consider inclusion of this site in the Plan to be illegal as it has been included in the Allocation Plan without prior consultation.

2. Consultation has not taken place about future use of Horsforth Park Lane Campus site. I believe a much needed school should be built and disagree with the proposal to build 206 houses there.

3. Other sites mentioned in the plan should be sufficient on which to build "affordable houses" on as Horsforth's fair share of the overall Leeds Housing Development.

Yours Faithful,

Brian Keith Benson,
