Hi

I'd just like to take time to state my opposition to the attempts to build a housing estate on 'green belt' land situated on the 'Tetley sports fields' off Weetwood Avenues.

I grew up on Weetwood Avenue, and was lucky enough to have the opportunity to have the 'Tetley sport fields' as a place to enjoy as I was growing up, and I'm really sad to hear about the proposed development.

I have many personal reasons why I don't want these fields to become a tacky housing estate, but I understand that these probably won't stand for anything when it all boils down to the decision.

So I'd just like to state my outright objection to the development.

Would someone be able to send me an acknowledgement of this email

Cheers
