I would like to register my objection to development of green belt areas around Horsforth. This contravenes the NPPF. The traffic situation around Horsforth is dire already especially around the ring road- A65 intersection where a massive development is proposed. I refer to HG2-41(4240) and HG2-43(5009) and HG2-42(1016)

This will represent a drop in the quality of life in this area. No more strawberry or asparagus picking, no more pleasant walks down Calverley Lane, urban sprawl, loss of habitat to wildlife etc
