**Date:** 13 November 2015 16:06:31

---

Dear Sir,

With regard to the present three proposed sites and the other 5 sites proposed in 2013 I wish to add my comments to fellow residents of the village against the proposals.

1. I understand children already in Bramhope are not getting places at the village schools.

2. The A660 will have more traffic entering it from the various villages roads and lanes. This will make it far more congested than it already is especially in the mornings and evenings.

3. The parking is getting more and more difficult especially at the Doctors, School and where the shops are situated.

4. In the 38 years I have lived in the village the building has increased enormously and the roads getting more and more congested.

5. There will be an unacceptable loss of green belt and green fields.

6. Although the previous proposal for eight houses on the A660 just before Wynmore Avenue is not amongst the present proposals as I understand it, this should never have been

been allowed in the first place. This has always been a walk for villagers instead of being next to the busy road. It is now a disgrace to the village and the person or persons involved should be ashamed of themselves for the resulting look. The rest of the area is well cared for.

Yours faithfully,

Mrs. Sheila M. Lupton
