Dear Sirs

Please find attached a document outlining Wharfedale & Airedale Review Development's (WARD) response to the Leeds Site Allocations Plan. Please keep our organisation fully informed of future developments and note that WARD would like to speak at the forthcoming Public Examination of the Plan by a Planning Inspector, as and when that event occurs.

Please acknowledge receipt of this document asap.

Regards

Dr David Ingham
Chairman
Wharfedale & Airedale Review Development
