Please find below the details of the new enquiry submitted by the public user on the Leeds WebSite :

Name : Stephen Russell

Source : <http://www.leeds.gov.uk/council/Pages/Introduction-to-Local-Development-Framework.aspx>

Message : I do not believe that we can justify any more housing in the Horsforth area. Even though we have had so called improvements to to the local roundabouts the infrastructure cannot cope with any additional vehicle capacity. The only way to try to eleviate the traffic issue is to have a minimum of 1/4 of mile parking ban. However this is never going to happen

Thanks
