Dear Sir,

**Your City Your Plan - 16 year Development Plan 2015/2031 – Garforth.**

I attach my response to your Development Plan proposals.

I hope you will seriously re-consider your proposals, and take account of my alternative approach to a more sustainable Plan for the Future. I expect a detailed response from you to the above before going to the Public Inquiry, so I may consider whether I maintain my objections.

Kindly send me an acknowledge receipt by email, that will suffice, of this objection and attachments, and confirm that you can open and read them.

Yours sincerely,

Mr R. D. Taylor.
