Hello I am re-sending this email, with my full address. Thank you

I am contacting you because I understand that there are plans to possibly build on Church Lane Paddock.

I really hope that this does not happen.

I have lived in Meanwood for 25 years and I walk almost daily past the church and adjoining area [live in Sunset Avenue]. The paddock is an integral part of Meanwood, and is greatly valued as it is - a "breathing space" for both humans and wildlife. I often see people just having a few minutes rest - to look over the wall. We really need this space. Places like this are invaluable. Please do not let it be built on - we will all be the poorer for it if you do, and it will be lost for ever.

I look forward to hearing back from you

Thank you
