Subject: PDE01938_Concern over planning of houses site HG2-10 (1221) Gill Lane
Date: 12 November 2015 20:05:19

Good evening,

I am sending this email with deep concern over the amount of houses that are quietly being planned to be built in my local area of Yeadon, Leeds. In particular I have concern over the site HG2-10 (1221) Gill Lane that you have planned. I would very much like to know how you are going to manage the following:
Wildlife and their natural habitats,
School numbers available,
Traffic congestion,
Dentist and doctors appointments,
Jobs.....
The list is endless

This Year (March) my mum and I were made redundant from our jobs in Guiseley, so I would be very interested in how you will be able to create jobs for all these new houses.

I live at 24 Whack House Lane, Yeadon, Leeds, LS19 7LY.

Thank you

Rebecca Robb
