---

I writing to object to the proposed housing sites in Bramhope.

#### Site References

HG2 – 15 (3400) Green Acres And Equestrian Centre  
HG2 – 16 (1002) Creskeld Lane, Bramhope –land to the rear of no. 45  
HG2 – 17 (1080-3367A) Breary Lane East, Bramhope, LS16

I am objecting on the grounds that this development will take place within a Conservation Area and that any development should enhance the said Conservation Area where as this development will destroy it as it will consist of cramped houses within cramped plots that will ruin the village of Bramhope that has many historical landmarks and listed buildings.

The single main road that runs through Bramhope is the A660 and this is already a busy and congested road without such a massive development taking place. It is not adequate to deal with such an increase in the volume of traffic and would make it much more dangerous.

To consider building on green field and green belt when no exceptional circumstances apply to it, is wrong and makes a mockery of having areas designated as green field or green belt to protect from such developments.

Bramhope doesn't have infrastructure to deal with a build of this scale and there is no room to add this infrastructure unless you destroy yet more green belt land.

Bramhope is and always has been a village if this planning goes ahead it will turn into a small town

Based on these issues I would ask that you reject these three proposed planning applications

Kind regards
