Message : Banksfield Fields. The following are my concerns: 1. It will devalue the price of our house as we now overlook fields. 2. Not enough infrastructure i.e. doctors, schools, car parking and the road network will not cope with extra traffic. 3. Wild life will be lost in the field and wood. 4. Increased traffic with access to the site being at the bottom of our road (Banksfield Grove) LS197LN 5. Inadequate gritting during winter months on the existing road never mind future roads on the new housing site.

Thanks
