Dear Sir,

I want to object to the following planning applications:

HG2 - 15 (3400) Green Acres and Equestrian Centre
HG2 - 16 (1002) Creskeld Lane, Bramhope
HG2 - 17 (1080) Breary Lane East, Bramhope

1. You should not be building on greenfield sites when there are lots of brownfield sites which have not been used. The building would have a devastating effect on the local ecology.
2. The A660 through Bramhope is already very very busy, adding hundreds of houses would make this problem much worse.
3. Bramhope does not have enough available places for school, shops, Doctors or leisure facilities as it now, let alone such a big increase in population.
