Dear Sir

I am writing to object to the building of 155 houses on Greenbelt land off the A65 Yeadon site HG2-10 (1221) Gill Lane. The reason I object are as follows:

It is a very attractive part of Yeadon with different fields, large trees and an abundance of wildlife. Also this part of Yeadon is extremely busy on the road network and obviously this will add to this. The building of these houses will only cause more road chaos especially at peak times. Please note I am not opposed to building on brownfield sites such as Green Lane Mill which has stood empty and derelict for a while and seems an ideal opportunity to put houses on.

Yours faithfully

Neil Wilson
