Dear Sirs,

From. Mr. J Ward
55 Holmwood Avenue
Leeds LS6 4 NH.

I should like to register my opposition to your proposal that the above piece of land is suitable for housing. I have lived in Meanwood for many years and noticed the amount of traffic using Church Lane has increased substantially over the past few years. This causes us problems as we take our Grandson to school every morning and crossing Church Lane can be a nightmare. The building of 25 new dwellings would only increase this problem. The local School is already over subscribed and Doctors and Dentists have waiting lists.

I am aware of the plan to build 54 dwellings on the land occupied by Meanwood Working Men's Club and consider this in itself would cause problems.

The Paddock is a much loved green space in the midst of all this chaos.

- John.
