---

Dear Sirs

I would like to strongly oppose 777 houses and a school on Site HG2-41 Strawberry Fields in Horsforth. I have recently moved into a new development in Manor Gate which is very near to this site. The traffic is horrendous and there have recently been so-called improvements implementing traffic lights which has only made the traffic worse. There is already a massive housing site being built by Redrow, which is resulting in traffic being chaotic. This site is still not complete so matters will be worsening.

I have lived in Horsforth all my life and have enjoyed strawberry picking when I was a little girl and also taking my children who are now grown. The fields are enjoyed by lots of people and have been for many many years.

My contact details are:

Debbie Richmond  
2 Manor Gate  
Horsforth  
Leeds  
LS18 4JD

Many thanks  
Debbie Richmond
