Message : I would like to register my dissatisfaction with the Airborough Site Allocation Plan and the proposed use of Green Field and Green Belt land. In accordance with the National Planning Policy Framework (NPPF) Green Belt may only be used for exceptional circumstances: the use of site HG2-41 has been targeted for houses, to meet housing targets and therefore the use of the land for this purpose is illegal. I strongly object. Similarly, HG2-41 Site could be used to build a school, rather than the use of Green Belt land. As a resident of Horsforth I feel I have a right to be consulted on the use of the building and the maintenance of green belt land.

Thanks
