**Date:** 10 November 2015 20:03:18

---

Sent from my iPad. I am Keith Foster, 11Old lane, LS 16 9 AY. I wish to register my. Objection to the above proposal as follows:-

This is Green Belt until recently protected by the council. I understand that Government guidance is that it should only be re designated in exceptional circumstances when Brown field sites are exhausted and this I understand is not the case in Leeds.

This is high quality agricultural land and it must be retained for agricultural purposes, (towards food production).

There is no Infrastructure planned or provided to support extra housing In Bramhope.

Please consider these objections, Keith Foster
