Cllr Golton

Many thanks for your email, I have cc'ed this to the SAP in box to ensure that your comments are recorded as part of the consultation.

Regards

David Feeney
Head of Forward Planning & Implementation
City Development
Leeds City Council

Subject:

Hello David,

This is to let you know that I support the comments of the Rothwell Neighbourhood Forum, the Oulton & Woodlesford Neighbourhood Forum and the Carlton Village Neighbourhood Forum, in their observations on the sites which appear within their respective designated areas, as I have been involved in the discussions as a member of each of those Fora and I would like it officially noted that I have responded to the consultation in this manner.

Best wishes

Stewart
