Dear Sir\Madam,

I am writing to you to voice my feelings regarding the proposed plans to build 155 houses on green belt fields on the A65/ Gill Lane. I am totally against this planning. There are many other parts of Leeds which could be developed, brownfield sites which are being overlooked. Green belt land has become an easy target for developers and we need to protect it. Once this land has been build upon it is gone forever and we don't have the infrastructure to support this many houses, people and cars in the area. The current planning is short sighted and needs to be reviewed. If this site was developed it would merge Nether Yeadon with Guiseley and Henshaw and it is adjacent to a Conservavtion Area. it is also part of a continuous green belt between Leeds and Bradford and currently prevents urban sprawl. Please reconsider this plan and put in some long term sustainable plans for the Leeds rather than using the green belt.

Yours sincerely,
Anna Pickard
