Moortown Golf Club Moortown Leeds 17
Land at Primley Park Road Leeds 17 Ref.SHLAA5172

I am a member and Past President of M.G.C.and have been asked to advise and write on its behalf

concerning the above.

As a result of negotiations with the planning dept. in the late 90's this area of land was zoned for residential use along with adjacent land now developed as Grange Court in exchange for the exclusion of a larger area of golf course land(known as The Moor) which at that time was undesignated but used for golf club purposes.A letter dated 1 July 2005 ref.LPIE/RMS/21/L/1324 from Richard Shaw confirmed this area as validated UDP housing site boundary H3B:50

There clearly has been an omission from the newly prepared allocation plans due to an error or mistake without any consultation with the Club.

This omission requires rectification and this amendment is respectfully requested.The land is not zoned as green belt.

Yours with respect

Brian Robinson F.R.I.C.S.
