Message : Hi I would like to comment on the Site Allocations Plan HG2 49 3376 This is an essential part of the green corridor and is much used and appreciated by people from many parts of North Leeds. It is an essential space for wildlife as it is less disturbed than the nearby park. I object to the building of housing on this land. I would also like to comment on HG2 - 48 3457 This is immediately in view of our house. It is another piece of superb green space essential to the character of the area and should not be built over.
Mike sells 14 Glen rd LS165N
