To whom it may concern:

I wish to raise objections to the following protected green belt sites, listed within your Leeds and Airedale Site Allocation Plans; and ask that they should be removed from the selection process:

Proposed Green Belt Sites that I wish to protect include at the very least : HG2-41, HG2-10, HG2-12, HG3-4

I also have grave concerns about the impact of an airport link road.

My grounds for opposition include the following considerations :

1. There is a major lack of road development and infrastructure in the areas of the proposed developments
2. The green belt needs to provide habitats for wildlife and protect them from isolation
3. If required, the housing target should be capped in line with the need to protect green belt sites
4. There has been inadequate co-ordination with local councils to share housing targets
5. There has been inadequate pressure on developers to build on existing brownfield sites

Please keep me informed of the outcome and process for de-selecting the green belt sites, in line with public opposition.

Yours faithfully,

Anne Weston
