Dear Sirs

I write to object to the proposed allocation of the above site.

I do not support the proposed development on this site due to the following:

The land is green belt and there are other more suitable sites in the area.

Access to the site will have a detrimental impact on the Haighside residents as well as a huge increase in traffic in this area.

Local services in the area, eg schools GPs are already under pressure.

The environmental impact on the wildlife in and around this site.

As a local resident of 25 years, I would urge the council to reconsider this as a proposed site.

Yours sincerely,

Kay Blackburn and Eddie Scott
