On behalf of my wife and myself, I should like to register the following objections to the proposed housing developments, particularly the proposed development at Breary Lane East/Leeds Road, in Bramhope village:

1. The character of Bramhope Village will be irrevocably altered beyond all recognition - It would effectively become a dormitory town for Leeds with the attendant loss of the Green Belt and urban sprawl.
2. The proposed developments would place an undue strain on the village facilities and amenities (eg: shops and school)
3. There are various technical objections to the plans: at the moment there is inadequate road and public transport provision – God only knows what it will be like if the proposed developments are allowed.

Yours faithfully,

Peter and Susan McNally
