Subject: PDE02388_Please don't build where I play - HG2-10

Dear Sir

Please do not build next to Westfield estate. We have no park and the roads are all really busy and not very safe. I like going sledging on the field and picking blackberrys in the summer and the cows are lovely. My cat also likes to play in the field.

And lots of new houses meen lots more cars. The road is too busy. It often takes 15 minutes to get to my Grannys in Rawdon and nearly a hour to get to my Grandmas in Bayldon and we can smell the cars when we play out at school.

I like trees and animals and plants and I do not like traffic jams.
Please keep my area nice

Thank you
