To whom it may concern,

I would like on behalf of the Cardigan Centre request that the Cardigan Centre on Cardigan Road is not included in the plan to be a Higher Order Local Centre in the Site Allocation Plan . It is a valuable community resource that given funding cuts could be vulnerable to sale. The area as already is located in an area with many vulnerable and isolated people from diverse social and community backgrounds. Community,leisure facilities and green spaces for local people are limited and there are opportunities to make this a valuable resource for the diversity of local groups. Local young people in our community need facilities to support well being and opportunities for integration. An intergenerational approach will facilitate support within the community to the benefit of Leeds and the Neighbourhood itself.

Our position is that we wish it to be designated a Lower Order Local Centre

Best wishes,
