Subject: PDE02416_Objection to Site Allocation Plan for Horsforth area
Date: 16 November 2015 17:18:00

I object to the proposed building on site HG2-41 Strawberry Fields. This is designated as green belt and to build on it will change the nature and character of the local area. I also believe the consultation has not been wide enough and is illegal. Many people still do not have access to computers and so are not aware of the extent of the proposed developments.
