RE: LEEDS SITE ALLOCATION PLANS - FORMAL OBJECTION
Date 16/11/15

Dear Sir / Madam,

I am responding to the Leeds Site Allocation Plans. I wish to object to the below developments for many reasons as a resident now in Rodley Leeds for the last 14 years, (having lived in Adel Leeds for 30 years before that).

Since the REDROW estate has been built the Rodley and Horsforth roundabouts have been "altered" apparently accordingly, but as a mum who's daughter is at school in Horsforth this has clearly not worked (a twice daily commute gives me the experience of this). Only this morning was a dangerous situation with bottle neck traffic due to two ambulances trying to get through!!

I feel Rodley, Horsforth, Farsley & Rawdon will end up with no distinct separation and this would be heartbreaking to see.

As a mum you wish your child to grow up in the environment you introduced them to, and the biggest problem of all is lack of school places.... That's good schools!! LS13, LS18 just cannot provide enough places for our children as it is!!!!

HG2-41 (4240) - Fields South of A65 from Horsforth & Rawdon RA to crematorium

HG2-42 (1016) - Fields at Broadway and Calverley Lane, Horsforth

HG2-43 (5009) - Fields at Horsforth College Campus

. HG2-12 (4254)
