1181A Land at The Sycamores Site A

I object to the planning proposals for the above site's because I believe the site should remain in the green belt and the site would cause urban sprawl.

However my main objection is that the highway accessibility is very poor. As a resident of Wynmore Avenue traffic, I find the junction of the Avenue with Otley Road very busy even more so at peak times.

I feel that the development of these sites would only make this issue worse.

As a parent of small children these developments are of real concern to me.

As such please take these comments into consideration.

Many Thanks
