Afternoon

Please find attached the overview / all-encompassing representations submitted on behalf of Barratt David Wilson Homes (BDWH), who are a significant stakeholder in Leeds with sites capable of delivering about 4,500 units. They cover matters such as overview of the strategy, distribution, hierarchy, phasing, green belt, delivery, older persons housing and education provision.

They should be read in conjunction with the various site specific representations and promotional documents now submitted under separate cover by my colleagues here at Barton Willmore. We look forward to discussing them constructively with you in the coming weeks and then at the EIP in due course.

Regards
James
