Dear LCC,

I am unable to access the website, it does not appear to have been working for the past several days, so I could not get the site allocation maps to show me the designated identifier you need.

So I am writing to add my voice to oppose the current draft site allocation for this area. I believe it should be designated an Amenity Green Space; we have heavy usage of the existing green space by people of all ages in the area, and by the schools in our area.

I have lived in Woodhouse, Headingley and Meanwood for over 25 years.

Thank you.
