Subject: PDE02671_Proposed housing development Bramhope
Date: 16 November 2015 16:12:13

I would like to register my objections to the proposed development of land in Bramhope for housing development.

My grounds are that the plans do not comply with the National Planning Policy Framework and the use of green belt in this way is not warranted. I further object as no account has been taken of the already chaotic travel problems which exist in the Leeds - Headingley - Otley corridor which will be greatly exacerbated by building more houses in Bramhope.
