Importance: High

Please find attached representations on behalf of The Ramsden Partnership to the Site Allocations Publication Draft. These relate to:

- Outer South West and East Ardsley

I trust these representations will be acknowledged as duly made.

The Ramsden Partnership welcomes the opportunity for further engagement and the opportunity to appear at the Examination Inquiry.

Please do not hesitate to contact us to discuss any issues raised in this Representation further in the meantime.

Kind regards

150 NEW HOMES, DENTON

Spawforths has secured outline planning permission on behalf of Network Space for 150 dwellings on the former Oldham Batteries Site in Denton. The scheme will deliver significant regeneration benefits for the area along with much needed new homes and will bring this long term vacant site in the heart of Denton back into beneficial use.
