Proposed allocation for housing in the Leeds Site Allocations Plan -
Ref HG2-48 (site 3457) - Weetwood Manor

Dear Sirs:

I wish to oppose the proposed housing development at Weetwood Manor.

There are great difficulties of road access at this site.

The land offers a small sanctuary for wildlife near the busy A660. Its development would be detrimental to the well-being of both wildlife and residents.

Yours faithfully,

Susan Kent
